Head Over Heels Gymnastics will once again be focusing on what we can do for our community. Each year HOH hosts a fundraiser for one of our local organizations. This year we are donating to The Special Olympics of Massachusetts.

Who can participate?

All HOH students are welcome to and encouraged to participate!!
If you cannot do a cartwheel, forward rolls are fine!!

When is it?

The cartwheels will be performed in class the week of February 9 - 14. (If you are absent this week, you may participate the following week). Fundraising, however, will continue through March.
